

Blessing for Lent

May you live these Lenten days with the Beloved Christ, in the joyful warm embrace of the Almighty God, knowing that your love, gratitude, and service to others, are sufficient to gladden His heart.

May you hear the voice of the Beloved Christ, call you to come apart from daily routine sometime, and rest a while alone with Him in a place apart, so that your spirit may be lit with the resurrection light, of His radiant love and presence.

May your heart be filled to overflowing with the grace of the Beloved Christ, so that your whole being may sing with Alleluia – joy on Easter, an everyday thereafter – until your eternal Alleluia with your Beloved Risen Christ, Forever!
